

Effective 3/21/2020

NOTICE:

Adhering to safety recommendations regarding non-essential businesses, this office will not be doing any face to face tax appointments for at least 2 weeks. We are trying to protect you as well as ourselves.

Please feel free to use our drop off service so that we can continue preparing tax returns during this period. We have some envelopes available for you to put your documents in and to label with your name AND phone number(s). The drop off box will be located by our front door from 10 AM to 4 PM Monday through Friday and 10 AM to 3 PM on Saturday. If these times are inconvenient for you, please call so we can make alternate arrangements for you.

The IRS has extended the due date of the 2019 tax returns and any payments due on April 15 to July 15.

If you feel that you need a face to face tax appointment, please call our office and we'll put you on a list of clients to schedule when non-essential businesses no longer have these restrictions.

We sincerely apologize for this inconvenience. It disrupts our normal work flow also but obviously, everyone's safety is much more important.

Thank you for your cooperation.
